Speech from the Chancellor of International Open University

Assalamu Alaikum Warahmatullahi Wabarakatuh.

Alhamdulillah. This is another historic moment for IOU. I am pleased to know that the Department of Business Administration is organizing another International Conference, during 26-27 August 2022, "The 2nd IOU Conference on Research and Integrated Sciences (IOUCRIS) 2022". I am also happy to know that 118 research papers have been submitted

for this conference from all over the world and 100 papers have been accepted, finally.

IOU has always been well known globally for its teaching excellence. We are now focusing on developing a good reputation for research excellence. IOU organized its 1st ever conference IOUCRIS 2021 last year. The 2nd IOUCRIS 2022 is another step towards our research journey, in addition to our current research engagements like our routine publication, 'Journal of Integrated Sciences'. This conference has created collaboration and networking opportunities for IOU staff and students. In conclusion, I am pleased to know that the conference will grant awards for **the best paper** and **the best student participant**. This will In Sha Allah motivate our scholars to participate in a similar conference in future.

May Allah assist us in focusing on academic activities on empowering global societies and communities to achieve the IOU motto of changing the nation through education.

Dr Abu Ameenah Bilal Philips
Founder and Chancellor

Speech from the President of International Open University

Distinguished researchers, academics, students, brothers and sisters. Assalamu Alaikum Warahmatullahi Wabarakathu.

Alhamdulillah. It is my absolute pleasure to welcome you all to the 2nd International Conference of International Open University Conference on Research and Integrated Sciences (IOUCRIS) 2022. This conference has been organised by the Department of Business Administration of IOU. InshaAllah, I

am confident, other departments will also organise similar conferences in due course of time.

This conference has drawn the attention of scholars from all over the world and I am very pleased to know that approximately 100 papers will be presented out of 118 papers submitted for the conference. In addition to the paper presentations, the conference will also run a keynote session.

IOU combines quality with morality at an affordable cost. IOU is a truly international academic institution that has academics and students from all over the world. At IOU, students can study at their own pace, gain knowledge and qualifications that include employability skills. A significant number of our students get employment immediately after their graduation. Besides teaching, this university is committed to research excellence by doing research, giving research training, and publishing scholarly journals. The 2nd IOUCRIS 2022 is another evidence of our commitment towards research excellence.

I pray for the success of this conference and hope you will benefit from the knowledge and experience gained by participating in this great event. I commend the organizers, I thank all those who have contributed and I want every one of us to succeed. May Allah bless you all.

Dr Cherno Omar Barry
Vice Chancellor, International Open University, The Gambia

Speech from Conference Chair Professor Dr Muhammad Ahsan

Draft

Distinguished researchers, academics, students, brothers and sisters.
Assalamu Alaikum Warahmatullahi Wabarakathu.

I am very pleased to welcome you all to the 2nd International Conference of International Open University Conference on Research and Integrated Sciences (IOUCRIS) 2022. I am thankful to all the participants, keynote & Research Workshop speakers, and the guests for attending this conference to make it a success.

I specially thank the Keynote Speakers Professor Dr Saad Tajuddeen, from Department of Psychology, IOU and Prof Dr Rafikul Islam, Head, Graduate School of Management, IIUM for their time and effort. I also appreciate the organising committee and its members for making the conference a reality.

The International Open University (IOU) was launched by Dr. Bilal Philips in 2007 as a higher education institution that offers intensive online undergraduate and graduate programs completely tuition-free. Our university is committed to spreading beneficial knowledge that is easily affordable and will benefit not only individual students but also empower entire communities.

IOU is engaged in Research, research training, journals publishing and very recently initiatives for international conferences. We want to create knowledge, develop collaboration, and foster research excellence.

We are very keen to improve the career of young academics and researchers by enhancing their abilities for further growth and development. For IOUCRIS 2021, we have received research papers from many key areas including Arabic Language and Literature, Business Administration, Education, Information Technology, Islamic Studies, Islamic Economics and Banking and Psychology. Abstracts submitted to this conference were subject to peer review to ensure the highest level of academic quality and relevance. In addition to the paper presentation, we have also organised a research colloquium to showcase the progress of our master's and PhD students.

This conference is a milestone for IOU towards research excellence. InshaAllah, we will continue to engage ourselves in research to bring real-life solutions to societal problems. May Allah bless us all.

Professor Muhammad Ahsan
Deputy Vice-Chancellor

Speech from Director, Research and Publications Associate Professor Dr Afroza Bulbul

Honourable Chancellor, Vice-chancellor, Deputy Vice-Chancellors of International Open University (IOU), distinguished guests, key-note speakers, honorable faculty members and staff, researchers, paper presenters, audiences, and my beloved students, Assalamu Alaikum Warahmatullahi Wabarakatuh.

I am very excited to welcome you all to the 2nd International Conference of IOU, which is 2nd IOUCRIS 2022. This conference will run for today and tomorrow, the 26th and 27th of August 2022. The objectives of this conference are to create opportunities and foster a research culture among our academics, staff, and students. In addition to offering quality teaching, IOU also focuses on research excellence. We regularly organise workshops and training on various issues to support our staff and students. We also publish a quarterly peer-reviewed journal, titled "Journal of Integrated Sciences" to demonstrate our commitment to research. So, please participate in the conference activities and enrich our researchers with your valuable comments and suggestions.

You will be happy to know that today we have very special sessions for our research students where two distinguished academics and researchers from IOU and outside will deliver their thoughtful sermons. I will request all our research students to be very attentive to those sessions and be equipped with the knowledge that will be delivered by the scholars.

I am also delighted to announce that all full papers submitted to 2nd IOUCRIS 2022 can be considered for publishing in our Journal of Integrated Sciences subject to peer review. Those, who could not submit a full paper due to time constraints, may submit their full papers by 31st October 2022 to be considered for publishing. 2nd IOUCRIS 2022 is our 2nd International Conference. Credit goes to the Department of Business Administration for organizing such a big conference whereas the Directorate of Research and Publications is in the overall management of the conference. I pray and hope that such a great initiative will be continuing in the future organized by other departments, in Sha Allah. We are open to building partnerships with other academic and business institutions to co-organise conferences in the future.

Please join with me in prayers that Allah (SWT) may give us the ability to make the 2nd IOUCRIS 2022 a big success.

Dr. Afroza Bulbul Afrin
Director of Research & Publications

Speech from Conference Coordinator Associate Professor Dr Shafiqur Rahman

Honourable Deputy Vice-Chancellor of International Open University (IOU), Keynote Speaker Professor Prof Dr Zulkarnain Lubis, distinguished faculty members and staff, and my very dear students, Assalamu Alaikum Warahmatullahi Wabarakatuh.

I am pleased to see that with the efforts of the conference organising committee and supports from almost all corners of the university, IOUCRIS 2021 is now a reality. I must appreciate the team members Professor Francesca Umm Yahya, Head, Psychology, Dr. Adnan Ashraf, Head, Information Technology, Dr Afroza Bulbul Afrin, Director, Research & Publications, Dr. Ebrahim Abu Dawy, Head, Arabic Language & Linguistics, Dr. Iftikhar Ahmad Baig, Head, Education, Dr. Muhammad Salama, Head, Islamic Studies Department, Dr. Nissar Ahmad Yattoo, Head, Islamic Banking & Economics, Shaykh Mukhtar Raban, Director, Teaching and Learning. I must appreciate the hard work of the reviewers, without whom such a great task would not be possible to accomplish. I further thank the Chancellors office Sr Eman, Br Eman from the marketing team, and all others including Sr Atufa, Sr Madeeha, Sr Afra.

The supports from Chancellor Dr Abu Ameenah Bilal Philips and President Dr Cherno Omar Barry are unforgettable. Finally, the round the clock supervision and unconditional support from the Deputy Vice-Chancellor Professor Muhammad Ahsan has significantly contributed to the success of the conference.

The presence of Keynote Speaker Prof Dr Zulkarnain Lubis, Universitas Medan Area, Indonesia; colloquium workshop speakers Professor Dr Aminul Islam from University Malaysia Perlis and Professor Dr Asif Karim from Binary University Uzbekistan have glorified the conference. I am confident that the audience has immensely benefited from their deliberations.

Finally, I must thank the authors who have taken huge pain to prepare their research papers and submit them for the conference. I also appreciate the initiatives and support from our co-organiser of this conference, the Directorate of Research and Publications.

I hope with the experience from this conference, IOU will be able to organise bigger and better in the coming days, inshaAllah.

Associate Professor Dr Shafiqur Rahman
Head of Department, Business Administration
