Salam

Dear Respected Sir,

After the success of seven provincial and four national Seerah Conferences, we are announcing the **"First International Conference on Global Epidemic Environment & Medical Laws in the light of Seerat-e-Tayyaba"** which will be held during **January 2022** in GC University Hyderabad Pakistan under the patronage of Islamic Academic Forum.

We came through your research work which is very impressive. So as a leading researcher in the field, we expect you to join our **Seerah conference** as a Keynote Speaker.

Coming to the program, it will feature a highly interactive, stimulating, and multidisciplinary program including keynote sessions, plenary sessions as well as oral presentations.

Details of the conference:

- Your Talk could be up to 5-30 minutes depending upon your choice.
- Program includes Keynote and Oral Presentations
- Copy of Conference Proceedings, Shield and Certificate of Participation will be provided through post.
- All Speakers presentations will be recorded, and those recordings will be provided through our portal.

Please let us know your availability and opinion on the same.
Looking forward to your favorable response please.

Best Regards,*Allah Ditta*
