السلام عليكم ورحمة الله وبركاته

We are pleased to inform you that, after peer-reviewing process your manuscript entitled:

التوجيه الصرفي في الأسماء في قراءة عاصم بروايي حفص وشعبة: دراسة في الدلالة

has been ACCEPTED for publication in *Al-Risalah: Journal of Islamic Revealed Knowledge and Human Sciences* (E-ISSN: 2600-8394)'s next issue (December 2022).

The reviewers of the journal have already confirmed the quality of your paper's current version, however, you may still extend the content of your paper, such as solidifying the literature review, adding more content in the conclusion, and giving acknowledgement. In addition to that, you are expected to modify the layout of your manuscript according to journal's layout template, which accelerates copyediting procedures as well.

We will soon contact you regarding the first stage (the copyedit proof stage) of the production process. We will be making some editorial changes ourselves to make the article more accessible, and you will have such edits to review at the copyediting stage.

PLEASE NOTE: The copyedit proof stage is crucial. It is the only opportunity for the author(s) to make necessary corrections to the text of the article. When you receive your copyedit proof, please check it thoroughly. Significant changes after this stage are not possible and even minor changes are difficult given the production schedule adopted by *Al-Risalah*.

The publication fee is RM 400 which should be made to **UIAM OPERATING ACCOUNT** as follows:
