### **COPYRIGHT TRANSFER AGREEMENT FORM**

To the extent transferable, copyright in and to the undersigned Author's article entitled

**“Wear Simulation of Automotive Engine Component Materials under Biodiesel”**

By

Hereby assigned to Journal of Mechanical Engineering and Sciences (JMES) under Faculty of Mechanical and Automotive Engineering Technology, Universiti Malaysia Pahang, Malaysia for publication.

The corresponding author warrants that this contribution is original and has not been published before in any form. The corresponding author signs and accepts responsibility for releasing this material on behalf of any, and all co-authors. The author shall obtain written permission and pay all fees for use of any literary or illustration materials for which rights are held by others. The author agrees to hold the publisher harmless against any suit, demand, claim or recovery, finally sustained, by reason of any violation of proprietary right or copyright, or any unlawful matter contained in this Article. The copyright transfer covers the exclusive right to reproduce and distribute the article, including reprints, translations, photographic reproductions, microform, electronic form (offline, online), or any other reproductions of a similar nature. JMES may assign any or all of its rights and obligations under this agreement.
