FOREWORD

Bismillahirrahmanirrahim

Assalamualaikum wbt and sincere greetings to all. First and foremost, I would like to take this great opportunity to express my utmost gratitude and happiness to Allah, the Almighty, for giving us the opportunity to hold the International Conference on Ummah 2022: Civilisation, Language and Sustainability. Such a seminar of this magnitude which has diverse participant is very much welcomed by the university. It is also an honour for me to give a big credit to the Faculty of Language Studies and Human Development for organizing this conference and this endeavor is always lauded by Universiti Malaysia Kelantan (UMK). This conference is aptly timed as UMK is consistently moving forward in line with the latest progress in the issues of civilization, language and sustainability.

As an expanding and growing university, UMK recognizes the importance of continuous engagement in scientific discourse in various fields of study focusing on civilization. Hence, it is of utmost importance for UMK to foster the partnership between researchers, academics, industry players and representatives of public universities in carrying out the nation's civilization agenda. This conference also serves as a platform for sharing views and practical ideas in the effort of developing the nation's civilization with the focus on the issue of humanity, language and civilization of Malaysia. As such, this gathering of academics, experts and practitioners is the right platform to look for possible aspects for the implementation of the nation's civilization agenda as well as to build repository of challenges and obstacles to be addressed. At the same time, we strongly believe that corporate organization and government bodies have a strong motivation to provide the support and contribute funding in recognition of the meaningful outcomes of work done by researchers.

To all ICU 2022 CLS participants, I would like to urge you to actively participate and engage in the two-day conference by contributing your ideas and insight. I sincerely hope that you will also have an enjoyable stay in Kelantan and get to experience the warmth of Kelantanese hospitality.

Thank you.

YBHG. PROF. DATO' DR. RAZLI BIN CHE RAZAK
VICE CHANCELLOR
UNIVERSITI MALAYSIA KELANTAN

FOREWORD

Assalamualaikum warahmatullahi wabarakatuh.

Peace be upon you.

I am especially honoured to cordially welcome all of you, most particularly the keynote speakers to the International Conference on Ummah 2022: Strengthening Humanity Values in Ummah Civilization of Digital Era (ICU 2022). We are also ecstatic and fortunate to have the presence of the local and international participants who have accepted our warm invitation to be part of ICU 2022.

As we come together in this hybrid conference with the theme of “Strengthening Human Values”, I would like to invite everyone to share their thoughts and ideas on what major considerations should be taken into account as we move forward in re-establishing human values in society and enhancing ideas for global harmony. Human values are increasingly being used as a concept in a wide range of fields namely social sciences and humanities, digital era education, information and communication technology and business, entrepreneurship and administrative management, which are all covered in ICU 2022. Without human values, human society might not be significantly sustainable. Therefore, it is important to discuss the issue and raise awareness to strengthen human values in contemporary culture.

ICU 2022 is organized in cooperation with five other institutions which are Universitas Nadhlatul Ulama Surabaya (UNUSA), Princess of Naradhiwas University (PNU) Thailand, Universiti Tun Hussein Onn Malaysia (UTHM), and Persatuan Intelektual Muslim Malaysia (PIMM). My most profound thanks to the Vice-Chancellor of Universiti Malaysia Kelantan, the Honourable Prof. Dato’ Dr. Razli Che Razak, and the Committee of ICU 2022 for their time, hard work and relentless support in making this Conference a reality. My very best wishes for an effective, productive and successful Conference.

Thank you.

ASSOC. PROF. DR. KAMARULZAMAN ABDUL BIN GHANI
DIRECTOR OF ICU 2022
