Sub: Invitation for International Conference ICIRIE-2023 as *Keynote Speaker* Organized by Mechanical Engineering Department, Swami Vivekananda Institute of Science & Technology, Kolkata, W.B., India

Dear Sir,

Heartiest greetings from organizing team of ICIRIE-2023.

We are delighted to announce our esteemed event "**International Conference on Industry 5.0: Revolution, Innovation and Efficiency (ICIRIE-2023)**" to be held at **Mechanical Engineering Department, Swami Vivekananda Institute of Science & Technology, Kolkata, W.B., India** during **4th & 5th March 2023**. The organizing committee has decided to hold this event in a hybrid format with online or in-person attendance (offline).

The purpose of this gathering is to bring together brilliant minds to offer idea-focused speeches on a wide range of topics in order to stimulate learning, inspiration, and amazement and to spark debate on the critical issues in the emerging fields. The International Conference's most essential goal is to allow young scientists, researchers, academicians and other professionals from diverse countries to share their experiences and network with them in an informal setting.

Considering your enormous expertise in the wide range of areas, academic background and research accomplishments in numerous fields, organizing team of ICIRIE-2023 earnestly welcomes you to our conference and requests you to act as a **Keynote Speaker**. It will be an honour for us if you accept our kind invitation.

Thank you.

With Regards,

(Dr. Somnath Das)
Organizing Secretary, ICIRIE-2023,
Mechanical Engineering Department
