

Abstracting & Indexing

Indexing

Currently, Life Sciences, Medicine and Biomedicine is indexed in:

1. Directory of Open Access Journals (DOAJ). Please refer to [LSMB in Directory of Open Access Journals \(DOAJ\)](#)

2. MyJurnal by the Citation and Infometric Division, Ministry of Education, Malaysia. Please refer to [LSMB in MyJurnal](#).

3. Scilit. Please refer to [LSMB in Scilit](#).

The journal and the editorial board is working hard to ensure articles published by Life Sciences, Medicine and Biomedicine can be shared as widely and be found by readers globally.

We are currently preparing for the journal to be indexed in the world's leading indexing organization. More details will be shared in the coming months.
