Greetings from IFERP!!

Sir, we cordially invite you to be our **Honorable Keynote Speaker (Virtual)** for the “World Conference on Multidisciplinary Research & Innovation (WCMRI)” which will be held on **28th and 29th October 2023** organized by Institute for Engineering Research and Publication (IFERP).

On behalf of **WCMRI -23**, I would like to invite you as a **Keynote Speaker** for the same. IFERP aims to bring together Academicians, Scientists, Research scholars and Students, to share and disseminate information on knowledge and scientific research works related to multidisciplinary topics and confers the practical challenges encountered and the solutions adopted. The conference will create a path to establish a research relation for the authors and listeners with opportunities for collaboration and networking among the universities and institutions for promoting research and developing technologies.

Therefore, we request you kindly accept our invitation, give a talk on your research area and to share your knowledge and experience with the students, academicians, as well as professionals attending the conference. You have been recommended as a person with respected knowledge and experience, and as one who will make a valuable contribution to this conference event.

We would be pleased about your availability to attend as our **Honorable Keynote Speaker** of **WCMRI-23**. We are glad to have you as a speaker.
