Dear Dr. Elshobake,

I am pleased to invite you to attend the Sixteenth Annual ASMEA Conference to take place November 4 - 6, 2023 in Washington, D.C. to present your paper, "The Protection of Women from Cyber Blackmail in Arab Countries in the Light of International Human Rights Law." In addition, we are pleased to award you a \$2500 Research Grant to support your work.

Please submit a draft version of your research paper by September 30, 2023. A final, ready for publication version of the paper must be completed and submitted by December 1, 2023. In addition, you will attend the Sixteenth Annual ASMEA Conference to present your research in an oral presentation.

The conference will feature presentations that demonstrate the inter-relationships between the two regions with special emphasis on the historical, political, economic, religious, security, and cultural links between them. Please visit our website (www.asmeascholars.org) for the latest details about the conference.

I encourage you to make your travel plans to Washington, D.C. for our conference as soon as possible.

We are pleased to have you as a member of ASMEA and look forward to seeing you in Washington, D.C. Should the need arise, you may feel free to show this letter to a consular officer as proof of your intention to attend the conference. ASMEA is in no way able to act as your sponsor for this event or while you are in the United States.

Thank you very much for your interest in ASMEA.

Sincerely,

Asaf Romirowsky, PhD
Executive Director, ASMEA
