Abstrac
 Khalid bin al-Walid -may Allah be pleased with him- is a whose image and dignity are being tarnished, especially l of savagery towards the Muslims during the battles. Th this paper intends to primarily explore one of the major noble companion by presenting a contextual and critical troop to Bani Jadhimah. Considering the nature of the visiting the related hadiths and historical sources, togeth analytical and critical approaches are applied to analyse investigation reveals that the details of the incident wer However, they were only reported in historical sources v rely to rebuke such a great companion. Besides, none of tried to justify Khalid's action and defend him or report Incident neither affects Khalid's companionship nor tar appointed him to lead several military activities afterw (pbuh) Abibakar assigned the leadership position to him-
