土团党的银行户口被冻结，这样合适吗？当然，希盟和国阵的支持者会拍手叫好，而土团党的支持者会说政府公器私用等等。

我不关心土团党是否有罪，就像首相委任努鲁依莎一样，我对她是否有能力没太大的兴趣，我更关心的是公信力和原则。就如司法界的一句名言，正义不仅必须得意伸张，而且必须看到得以伸张。

很多时候，当一个政党执政时，反对党会成为调查对象，或被提控。但是再次换政府后，被提控的人被释放而之前当权的政治人物或政党则被调查。

我不是为土团党辩解，称他们是无辜，因为同样的情况在他们执政时也发生过。我唯一的问题是，为何反贪会总是调查那些不再执政的人。另一方面，反贪会甚至警察都很少调查当权者。

当然，网民会针对此提出现实的问题，而我是赞同网民的部分观点。就像我之前在安华第一次出任首相时撰写的文章《给政府的一封信》

(<https://www.themalaysianinsight.com/chinese/s/414846>)中就有提到，政府当务之急应该注重两件事，即公信力和同等标准。

如今，6个州要举行选举了，土团党需要资金来竞选，所以现在冻结对手的银行账户，是压制手段吗？

别忘了，现在的政治没有人可以确定。希盟曾经捍卫要求国会议员获得平等拨款，可是在2018年执政时，还是出现歧视性的拨款分配。当2020年失去政权时，他们没有什么可说的，因为是他们自食其果。

直至今日，安华在上任几个月后，我依然认为政府最重要的任务就是建立公共机关的公信力，重振民众对政府机构的信心，例如反贪会，警察部队以及选举委员会等等。令人感到遗憾的是，目前还未看到任何变化。

虽然，我相信短期内不会有所改变，我只能期待本届政府可以给予这方面更多的关注，真诚的改革政府机构，重振和恢复民众对政府机关的信心。

[Liu Zhewei's Column] The Anti-Corruption Commission should demonstrate credibility and influence

 THE MALAYSIAN INSIGHT

Bersatu's bank account has been frozen. Is this appropriate? Of course, supporters of Pakatan Harapan and Barisan Nasional will applaud, while supporters of Bersatu will say that government weapons are being used for private purposes and so on.

I don't care whether Bersatu is guilty or not. Just like the Prime Minister appointing Nurul Isah, I am not very interested in whether she is capable. I care more about credibility and principles. As a famous saying in the legal profession goes, justice must not only be done, but must be seen to be done.

Many times, when one political party is in power, the opposition party becomes the subject of investigations or is prosecuted. But after another change of government, those charged were released and the politicians or parties that were previously in power were investigated.

I am not defending Bersatu and saying they are innocent because the same thing happened when they were in power. My only question is why the MACC always investigates people who are no longer in power. On the other hand, the MACC and even the police rarely investigate those in power.

Of course, netizens will raise practical questions about this, and I agree with some of their views. As I mentioned in the article "[A Letter to the Government](https://www.themalaysianinsight.com/chinese/s/414846)" (<https://www.themalaysianinsight.com/chinese/s/414846>) written when Anwar first became Prime Minister, the government should focus on two things as top priorities, namely credibility and equal standards.

Now, six states are about to hold elections, and Bersatu needs funds to campaign. So is freezing the bank accounts of its opponents now a means of suppression?

Don't forget, no one is sure about politics these days. Pakatan Harapan once defended the requirement that MPs receive equal funding, but when it came to power in 2018, discriminatory allocations still occurred. When they lost power in 2020, they had nothing to say because they were the ones who reaped the consequences.

To this day, a few months after Anwar took office, I still believe that the most important task of the government is to establish the credibility of public institutions and restore public confidence in government institutions, such as the Anti-Corruption Commission, the police force, the Election Commission, etc. Sadly, no changes have been seen yet.

Although, I believe there will be no changes in the short term, I can only hope that this government can pay more attention to this aspect, sincerely reform government agencies, and revive and restore people's confidence in government agencies.
