东珠岛岛主派系若真的众志成城，外来派绝对动摇不了。（档案照：透视大马）

东珠岛即将迎来掌舵之争，有来自外来派、侵略派在摩拳擦掌虎视眈眈，原任岛主还要面对自己派系内的威胁，蝉联的如意算盘恐怕不易。随着外来派系知道自己胜算不高，就施展伎俩挑拨原任派系之间的内斗，因为前者知道自己处于劣势，唯有散播谣言来危言耸听，动摇军心。

外来派连日来的煽风点火，加上原任派内各怀异心，让外来派的一步无招胜有招奏效了，火上浇油和推波助澜攻势下，东珠岛主要蝉联实属不易，或者说危在旦夕。

东珠岛岛主派系若真的众志成城，外来派绝对动摇不了。无奈，派系内前任岛主似乎不满意原任岛主，有意插足争夺岛主之位，继而衍生诸多事端，而老人们还未表态是否支持原任蝉联，东珠岛即将掀起一场腥风血雨之争。

“冰冻三日，非一日之寒”这或许是东珠岛派系当下的写照，无非是已卸下岛主重担的前岛主欲再次把持朝政，排挤现任岛主。话说，前任退位让贤后仍放不下过往荣耀，因而萌生重出江湖的念头。

这一位前任的心思已是司马昭之心。当然，先前前任升职中央，乐意卸下岛主之位，而心腹也可以跟随。但如今已不在中央，心腹也别无去处，只好眷恋岛主之位，以安抚心腹。

这一战，原任岛主是否毫无胜算呢？虽说原任岛主有着让朝野赞誉的好口碑，这是否足够呢？毕竟论辈分和资历他确实是略输一筹，倘若原任岛主最终被拉下马，其阵营支持者也会全军覆没。

再来，岛民如何是否支持原任岛主，说实话，岛民不在乎岛主之战，只要岛主之位仍然由其党派之人掌控足矣。岛民关心的是三餐糊口，关心的是生活安稳，只要还是同一个属派，哪怕是天兵天将都无所谓。到底岛主之战鹿死谁手，且看日后分晓。

以上岛主之战如有雷同，纯属巧合。

古人云：“积力之所举，则无不胜也；众智之所为，则无不成也。”我们靠团结奋斗创造了辉煌历史，还要靠团结奋斗开辟美好未来。所以古人才有告诫：要保持胜利，就要同舟共济、团结一心，则无往而不胜。

# [Liu Zhewei Column] The bloody battle for the owner of Dongzhu Island

*If the Dongzhu Island owner faction is truly united, the outsiders will definitely not be able to shake it. (File photo: Perspective Malaysia)*

Dongzhu Island is about to face a battle for the helm, with outsiders and invaders rubbing their hands and eyeing the island owner. The former island owner also has to face threats from within his own faction, and it may be difficult for him to be re-elected. As the outside faction knows that their chances of winning are not high, they use tricks to provoke infighting among the original faction. Because the former knows that they are at a disadvantage, they can only spread rumors to alarm the people and shake their morale.

The days of fanning the flames by the outsiders, coupled with the different intentions within the original faction, have made the outsiders' move of winning without any move work. With the outsiders adding fuel to the fire and fanning

the flames, it is not easy for Dongzhu Island to retain its leadership, or it is in imminent danger.

If the Dongzhu Island master faction is truly united, the outsiders will never be able to shake it. Unfortunately, the former island master in the faction seems to be dissatisfied with the former island master and intends to intervene in the fight for the position of island master, which has led to many incidents. The elders have not yet expressed whether they support the former incumbent to be re-elected. Dongzhu Island is about to set off a bloody battle.

"The ice freezes for three days, but not for one day" This may be the current portrayal of the Dongzhu Island faction. It is nothing more than the former island owner who has unloaded the burden of the island owner wants to control the government again and exclude the current island owner. It is said that the former owner still can't let go of the past glory after abdicating and giving way to the wise, so he has the idea of returning to the arena.

The intentions of this predecessor were obvious. Of course, when the predecessor was promoted to the central government, he was willing to give up the position of island master, and his confidants could follow him. But now that he is no longer in the central government, his confidants have nowhere to go, so he can only cling to the position of island master to appease his confidants.

Does the former island owner have no chance of winning this battle? Although the former island owner has a good reputation praised by the government and the opposition, is this enough? After all, he is indeed slightly inferior in terms of seniority and qualifications. If the former island owner is finally brought down, his supporters will also be wiped out.

Next, how do the islanders support the former island owner? To be honest, the islanders don't care about the island owner battle, as long as the island owner's position is still controlled by the people of his party. The islanders care about three meals a day and a stable life. As long as they are still from the same faction, it doesn't matter even if they are heavenly soldiers and generals. Who will win the island owner battle in the end, we will see in the future.

Any similarities between the above battles between island owners are purely coincidental.

The ancients said: "When the strength of many is combined, nothing can stop us; when the wisdom of many is combined, nothing can fail." We have created a glorious history through unity and struggle, and we will continue to create a better future through unity and struggle. That is why the ancients warned us: To maintain victory, we must work together and unite as one, and then we will be victorious.
