4<sup>th</sup> September, 2025

*Assalamu Alaikum Warahmatullahi Wabarakatuhu*

Dear Sister Azizah,

**Subject: Confirmation of Co-Authorship and Research Collaboration  
(Vol. 8 No. 2 (2025))**

<https://thejnrs.org/index.php/thejnrs/issue/view/25>

We at The Journal of *Risale-i Nur* Studies believe that this email finds you and your friends in good health, *ameen*.

As requested by the co-authors of the two articles listed below, we are writing to formally inform your esteemed office that Dr. Kabuye Uthman Sulaiman and Dr. Mohd Abbas Abdul Razak, from the FIDS, AHAS, International Islamic University Malaysia (IIUM), are co-researchers as well as co-authors of the two articles published in Vol. 8 No. 2 (2025) of The Journal of Risale-i Nur Studies.

Article No.2- *Sicknesses of The Muslims And Their Remedies in The Discourse of Bediuzzaman Nursi: An Analysis*

Article No.5- *Bediuzzaman Said Nursi's Approach for Integration of Knowledge Between Religious and Modern Sciences: An Analysis*

For your information, Dr. Md Yousuf was the principal author of the aforementioned articles. We hope that this confirmation will help to clarify any misunderstanding or confusion on your end regarding the authorship and research collaboration.

Thank you, Wassalam.

Yours faithfully,

Editor

Dr. Muhammed Mustafa Muhammed SALIH
