Motivational Quote

The Prophet Muhammad (peace be upon him) said:

“The heart of a believer is like a feather, turning with the wind. So whenever a believer remembers Allah, his heart turns to Him. And whenever he forgets Allah, his heart turns away from Him.”

(At-Tirmidhi)

MotionU : Celebrating Innovation, Learning, and Community Engagement

MotionU Club has had an inspiring year filled with activities that embody our commitment to fostering innovation, skill-building, and entrepreneurial excellence. This newsletter article serves as a recap of our vibrant programs, highlighting the dedication of our MotionU committee members and the incredible support from the KICT community.

A special thanks to our MotionU President, Br. Muhammad Hakim Nazry, and his committees for their relentless efforts in organizing impactful programs. We also extend our deepest gratitude to the Dean of KICT, Prof. Dr. Murni Mahmud, Head of Department CITA, Dr. Noor Hayani Abdul Rahim, Deputy Dean of Student Development & Community Engagement, Dr. Hamwira Sakti Yaacob, and former MotionU advisor, Madam Noor Azian Bt. Mohamad Ali, for their invaluable guidance and support.

Exploring the Frontiers of AI

On April 20, 2024, we hosted a DevTalk titled "Exploring AI: The Landscape of Large Language Model Development in Malaysia" with guest speaker Br. Hazqeel Afyq. Held at the PBL Lab, this session captivated 20 participants eager to delve into the capabilities of Large Language Models (LLMs). Br. Hazqeel's expertise in Python, NLP, and Computer Vision inspired attendees to explore AI's potential in collaborative and innovative settings.

Mastering Mobile Innovation

From May 10–12, 2024, we organized the Full Stack Fusion Mobile Application Development Workshop at the Alumni Lounge. Guided by Br. Muhammad Nuriman Quddus, co-founder and CTO of Forthify, participants learned to design, code, and deploy mobile apps using React Native, NativeWind, and Expo Go. The hands-on approach, combined with certifications and networking opportunities, ensured that attendees were equipped for success in mobile development.

Navigating the Freelancing Journey

Our DevTalk on May 18, 2024, titled "The Ins and Outs of Freelancing: From Finding Clients to Getting Paid," was an eye-opener for over 20 participants. Br. Luqman Hakim, founder of Forthify, shared practical insights into freelancing, from building a portfolio to securing payments. Participants left feeling motivated to embark on their freelancing journeys, inspired by Luqman's mantra: "You don't have to be great to start, but you have to start to be great."

Celebrating Success in Web Development

The Modern Fullstack Hero Web Development Workshop, held on December 16-17 and 23-24, 2023, provided 10 participants with cutting-edge knowledge in VueJS, Go, SQLite, and Tailwind. Aiman Rahim, backend engineer at AEM Energy Solution, led this initiative, with generous sponsorship from Mulhaq Enterprise. Participants gained essential skills, laying the groundwork for thriving careers in web development.

Empowering Aspiring Developers

On November 4, 2023, our DevTalk focused on "How to Kickstart Your Frontend Development Career." Br. Farhan Helmy, a software engineer at Service Rocket, guided 20 participants through essential skills and career strategies for front-end development. The session was an inspiring roadmap for attendees aiming to excel in this field.

MotionU Members Shine at KICT Fest

On October 21, 2023, MotionU took part in KICT Fest, where we showcased our entrepreneurial spirit by running a food booth offering fried ice cream and iced tea. Thanks to the hard work of our Sales Office team, our booth became a crowd favourite, embodying the club's innovative and enterprising values.

Gratitude and Moving Forward

This year has been a testament to the power of collaboration, innovation, and community support. On behalf of MotionU, I express my heartfelt gratitude to everyone who contributed to our success. To the students, lecturers, and all of the KICT community, thank you for believing in our mission.

Together, let's continue to create impactful programs that inspire, empower, and shape the leaders of tomorrow.
