Professor Zoi KARAMANOU, head of the Department

15th of June 2009

To whom it may concern,

I certify that Associate Professor Ar. Datin Norwina Mohd. Nawawi, Head of the Department of Architecture, International Islamic University Malaysia, delivered the lecture under the title 'Islamic influence on the Architecture of the Malay World' in the context of the course 'Beyond the boundaries of the West. Journeys to spatial conceptions of the East', a course organised by Athena Christina Syrakoy, via teleconferencing (Skype) to the Department of Architecture, Technical University of Crete, Greece, on Friday 29th of May 2009, following my invitation on the 20th of March 2009.

With best regards,

Prof. Dr. Zoi Karamanou
Head of the Department of Architecture
Technical University of Crete
