KNOWLEDGE SHARING USING SEMANTIC WEB

Hafizah Reh and Mohamad Fauzan Noordin

Abstract

Semantic Web is the enhancement and improvement of World Wide Web (WWW). Nowadays, more people use Semantic Web because it allows sharing and reuse knowledge according to user requirement. This paper aims to discuss the use of Semantic Web in facilitating better knowledge sharing.

11.1 Introduction

Knowledge is crucial in the development of individuals, societies, as well as countries. We should share the knowledge so that all people can benefit from it. The Holy Qur'an has emphasized a lot on knowledge. For instance, the following verse clearly states that knowledge is an important thing in our life and we are in a great loss if we neglect it.

"Those to whom We have sent the Book study it as it should be studied: They are the ones that believe therein: Those who reject faith therein, -the loss is their own" (Al-Baqarah:121)

Even from the first revelation, Allah told us to read and seek for knowledge.

"Read in the name of your Lord Who created. Created man from a clot of congealed blood. Read and your Lord is Most Generous. Who taught (knowledge) by the
