From the KL Airport, you can take express non-stop train called KLIA Express which is located at the ground level of the same building. You need to buy a ticket from the KL Express ticket counter which is located near the baggage carousel. You can look out for signs and directions or ask the ground staff/information desk there. This train will cost you RM 35 one way and takes 28 Minutes to reach KL Central Station (which is the last station) and from there you can take a taxi to Hotel Istana which will cost you RM15. You can also take Monorail from Central station. To catch monorail, you need to walk 3-4 minutes from the Central station and you can ask the people for directions to The Monorail Station. You need to buy a ticket for a station called Raja Chulan and it may cost you RM 3. Istana hotel is just 1 minute walk from this Raja Chulan Monorail station. You can also come to Istana Hotel direct from KL airport by Taxi and if you decide to come all the way by the taxi, then buy a Taxi Ticket from a desk called Taxi Counter which is located close to Burger King which you will get after you get out of baggage check. We suggest you not to take any other Taxi. You can also ask the information desk which is located near the baggage carousel. We also suggest that you change some money to Malaysian Ringits (RM) which you will need to pay taxi or hotel or Train ride.

If you are travelling into Malaysia on Air Asia flights, you will arrive at the LCCT terminal. From there you need to catch any of the buses that go directly to KL Central. We recommend the LCCT bus which costs RM 8 or the Air Asia (Red bus) which costs RM 9. The trip will take approximately 1 hour.
