Dear Dr Oseni:

The Islamic Finance Project (IFP) of Harvard Law School is pleased to inform you that your paper, "*Toward a Watershed in Takaful Dispute Resolution: From Litigation to Effective Dispute Management*," has been selected from a vast number of proposals for presentation at the Eleventh Harvard University Forum on Islamic Finance. The Forum will take place from April 25-27, 2014, and will be held at Austin Hall, Harvard Law School campus, Cambridge, Massachusetts.

Your knowledge and experience in the field of Islamic finance, insurance and alternative finance will undoubtedly be a great value addition to the Forum. You will be joining a highly respected team of acclaimed academicians, industry leaders, distinguished shari'a scholars, senior international bankers and finance experts to deliberate on "Takaful and Alternative Cooperative Finance: Challenges and Opportunities."

We at the IFP are pleased to invite you to speak and look forward to welcoming you at Harvard in April 2014. We are confident that you will make an invaluable contribution to the existing body of knowledge and help in promoting the aims of the Forum.

We wish you all the best in your preparations. Let us know if we can be of any further assistance.

Sincerely yours,

S. Nazim Ali, Ph.D.
