Dear Author,

Notification of Paper Acceptance

Based on the recommendation of the Reviewer Panel for AEROTECH V – 2014 Conference, we are very pleased to inform you that your paper has been **conditionally** accepted to the conference. Details of your accepted paper are as follow:

Paper ID:	AE055
Title:	Comparison of Digital DATCOM and Wind Tunnel Data of a Winged Hybrid Airship's Generic Model
Publication:	Applied Mechanics and Materials (ISSN: 1660-9336)

In conjunction to this, you are cordially invited to present the paper orally during the AEROTECH V – 2014 conference to be held on October 29th – 30th, 2014 at Furama Hotel, Kuala Lumpur, Malaysia.

To successfully register for the conference and have your paper included in the Applied Mechanics and Materials publication, please complete the following steps:

- Step 1:** Revise your paper according to the comments from the reviewers and complete the Paper Revision Form as attached with the letter. Your revised paper will be put through another round of review process to ensure that the comments have been adequately addressed. Failure to comply can result in your paper being excluded from the conference publication.
- Step 2:** Complete the registration form and copyright transfer form.
- Step 3:** Complete the payment of the conference fees (details for the payment is available in the registration form and on the conference website)
- Step 4:** Email your completed registration form, paper revision form, copyright transfer form, revised paper (both .doc and .pdf forms) and scanned proof of payment to the Conference Secretariat at **aerotech@upm.edu.my**

If the above requirements are met by 26th May 2014, your paper will be published in Applied Mechanics and Materials. Please strictly adhere to the format specified in the conference template while preparing your final paper.
