

PROGRAM

MUTARS® - Workshop 2015

March 20th – 22nd

Friday, March 20th 2015

12:00 pm **Finger food buffet at Panorama Patio**

12:45 pm Opening remarks and welcome

J. Saß, implantcast

12:50 pm Welcome by the chairmen of the meeting *L. Jeys, P.D.S. Dijkstra*

Session 1 **ENDOPROSTHETIC INFECTION & KNEE TREATMENTS**

moderators: P. Ruggieri, G. Täger

1:00 pm **Endoprosthetic infection, lessons from the past**

P. Ruggieri, Bologna, Italy

1:15 pm **Arthrodesis in periprosthetic infection - results and clinical outcome**

B. Lehner, Heidelberg, Germany

1:20 pm **Reconstruction of the knee joint with GenuX and KRI after periprosthetic knee infection**

I. Ipach, Ingolstadt, Germany

1:25 pm **GenuX® MK: system and case report**

T. Heyse, Marburg, Germany

1:30 pm **Periprosthetic fracture treatment in megaprotheses**

M. Nottrott, Muenster, Germany

1:35 pm **An individual proximal adapter for a rotational hinge**

T. Düring, Bremen, Germany

1:40 pm. **Discussion by interactive voting**

Session 2 **MISCELLANEOUS**

moderators: R. Carey-Smith, A. Taminiau

1:50 pm **Clinical aspects of 3D technology in reconstruction of massive bone defects"**

D. Kotrych, A. Bohatyrewicz, Szczecin, Poland

1:55 pm **Assessment of gait performance in patient with limb salvage**

S. T. Jung, Gwangju, Korea

2:00 pm **Paley's multiplier method for height prediction in patients with osteosarcoma and Ewing's sarcoma**

M. Gilg, Graz, Austria

2:05 pm **Thai experience on Humerus Tumoral resection**

W. Sirichativapee, Khon Kaen, Thailand

2:10 pm **Surgical reconstructive options for malignant tumours of the proximal humerus**

S. Marone, M. Boffano, U. Albertini, E. Boux, R. Piana, Torino, Italy

2:15 pm **Biopsy punch meets tube system - a new minimally invasive technique for biopsy and resection of bone tumors**

A. Krieg, Basel, Switzerland

2:20 pm Discussion

Session 3 **GROWING PROSTHESIS**

moderators: P. Steadman, R. Baumgart

2:30 pm **BioXpand II – the better alternative to compensate limb length discrepancy**

R. Baumgart, Munich, Germany

2:35 pm **Non invasive growing prosthesis in children affected by malignant tumors of the knee: early results from a single institution**

D. Daolio, A. Della Valle, F. Giardina, Milano, Italy

2:40 pm **Experience with the Xpand prosthesis**

A. Sternheim, Tel Aviv, Israel

2:45 pm **Treatment of bone tumors with tumoral prosthesis in children and adolescents.**

Our experience

F. Torner, Barcelona, Spain

2:50 pm Discussion

3:00 pm **Coffee break**

Session 4 **PELVIC**

moderators: P.D.S. Dijkstra, P. Bergh

4:00 pm **Pelvic reconstruction**

P.D.S. Dijkstra, Leiden, The Netherlands

- 4:15 pm **LUMiC® Pelvic replacement: the French experience, preliminary report**
F. Fiorenza, Limoges, France
- 4:20 pm **Case presentation pelvic reconstruction**
M. Rickert, Giessen, Germany
- 4:25 pm **Outcome of Surgical Treatment of Pelvic Osteosarcoma. A Malaysian Tertiary Centre Experience between 2000-2010**
M. A. Sharifudin, Kuantan, Malaysia
- 4:30 pm **New possibilities of using LUMiC® endoprosthesis in children and adolescents.**
A. Szafranski, M. Rychłowska, B. Pachuta, I. Malesza., Warsaw, Poland
- 4:35 pm **Modification of pelvic reconstruction methods after hemipelvectomy in youth patients during the years**
A. Szafranski, M. Rychłowska, B. Pachuta, I. Malesza, Warsaw, Poland
- 4:40 pm **The analysis of surgical treatment results of patients suffering from primary tumours of pelvic bone including hip joint with the use of modular prosthesis LUMiC® reconstruction**
A. Pieńkowski, T.Goryń, M.Zdzienicki, W.ziewirski, M.Salamacha, P.Rutkowski, Warsaw, Poland
- 4:45 pm **Reconstruction of primary and metastatic pelvic lesions with Lumic prosthesis**
B. Erol, Istanbul, Turkey
- 4:50 pm Discussion

Session 5 HIP AND PROXIMAL FEMUR

moderators: L. Jeys, J. Bramer

- 5:00 pm **Hip and proximal femur endoprosthetic revision**
L. Jeys, Birmingham, United Kingdom
- 5:15 pm **Severe rheumatoid arthritis with extreme osteoporosis: MUTARS® reconstruction of femoral diaphyseal periprosthetic fracture**
D. Martincic, Belgrade, Serbia
- 5:20 pm **Use of proximal femur after complicated leg lengthening**
C. Peterlein, Marburg, Germany
- 5:25 pm **Salvage procedure of a tumor prosthesis femoral fracture**
C. Eingartner, Bad Mergentheim, Germany
- 5:30 pm **Megaprotheses in Complicated limb salvage surgery**
A. Asavamongkolkul, Bangkok, Thailand
- 5:35 pm **Modular Endoprosthetic Replacement Following Total Resection of Femur for Primary Bone Tumours**
M. A. Sharifudin, Kuantan, Malaysia
- 5:40 pm **Discussion by interactive voting**

5:50 pm Adjournal

8:30 pm Dinner at restaurant Es Castell

Saturday, March 21st 2015

Session 6 METASTASIS

moderators: A. Leithner, B. Erol

- 8:30 am **Metastatic disease, new trends**
A. Leithner, Graz, Austria
- 8:45 am **Thyroid carcinoma metastases in a single patient, treated with multiple local resections and even MUTARS endoprosthesis**
B. Mavcic, Belgrad, Serbia
- 8:50 am **Metastatic Disease of proximal femur treated with MUTARS arthroplasty**
R. Bitsch, Heidelberg, Germany
- 8:55 am **Endoprosthetic reconstruction of lower extremity metastases by MUTARS system**
B. Erol, Istanbul, Turkey
- 9:00 am **Impending fracture: a difficult diagnosis**
A. Piccioli., M.S. Spinelli, G. Maccauro, Roma, Italy
- 9:05 am **Discussion by interactive voting**

9:15 am Coffee break

Session 7 MY BEST AND MY WORST CASE OF LAST YEAR

moderators: A. Safranski, M.A.J. van de Sande

- 10:00 am **My best and my worst case of the last year - Poland**
A. Szafranski, Warsaw, Poland
- 10:15 am **My best and my worst case of last year - Thailand**
A. Asavamongkolkul, Bangkok, Thailand
- 10:20 am **Best case + worst case - experience with MUTARS Xpand - Germany**
E.-K. Renker, Heidelberg, Germany
- 10:25 am **My best and my worst case of last year - Korea**
D. S. Shin, Daegu, Korea
- 10:30 am **Case presentation of Abdl hi Manar treatment**
A. Sternheim, Tel Aviv, Israel
- 10:35 am **Multifocal Osteosarcoma – Case Report**
D. Solomon, Tel Aviv, Israel
- 10:40 am **Chondrosarcome of pelvis, - Osteosarcoma of prox. tibia in a 14 year old child**
B. von Dittfurth, Kassel, Germany
- 10:45 am **Case presentation**
P. Steadman, Brisbane, Australia
- 10:50 am **Case presentation**
R. Carey-Smith, Perth, Australia
- 10:55 am **Case presentation**
G. Powell, Melbourne, Australia
- 11:00 am Discussion

11:10 am Coffee break

Session 8 WORKSHOPS

- 11:35 am *MUTARS® hands on workshops*
Growing prostheses (Xpand, BioXpand and BioXpand II)
R. Baumgart, Munich, Germany
Proximal Tibia MK
C. Renneberg, implantcast, Germany KR/MB/CR

12:15 pm Adjourn

1:15 pm Lunch at restaurant Es Castell

Sunday, March 22nd 2014

9:00 am Breakfast

Individual departure

Hotel address during your stay:

Hotel Castillo Son Vida *****

C/Raixa 2

Urbanizacion Son Vida

E – 07013 Palma de Mallorca

Phone: +34 971 493 193

Fax: +34 971 606 168
