Dear Dr. HanizaRais:

The American Counseling Association (ACA) -- the world's largest nonprofit association for 53,000 counseling professionals would like to extend an invitation to you to attend, and participate at the 2014 ACA Conference & Expo, March 27-30 in Honolulu. The conference events will be held at the Hawaii Convention Center, and at the Hilton Hawaiian Village & Resort.

Your presence at the conference is necessary as we want to hear your perspective on the counseling profession in Malaysia. At the 2014 Conference & Expo you will have access to more than 300 education sessions in over 30 categories. There will also be opportunities to attend social activities, and network with your peers.

We are developing an International panel as part of the education programming, and invite you to be a participant on the panel.

Please, note that ACA expects you to source your sponsorship to the conference. Please visit the ACA website for more information on the conference and to register at [www.counseling.org](http://www.counseling.org) and click on the "conference" tab.

Kindly accept our esteemed assurances.
