INTRODUCTION
IC-ISME is part of the International Multi Conference on Education and Technology (IMCET) 2015, which is a maiden programme organized by Universiti Sains Islam Malaysia. Universiti Sains Islam Malaysia (USIM) is an emerging Islamic university that was fully owned and funded by the Malaysian Government. Being the 12th Public Institution of Higher Learning, it aims to spearhead knowledge and be the global reference centre for Islamic Science. USIM embraces a holistic approach towards the delivery of knowledge, which unites traditional sciences (Hadith knowledge) and the rational sciences (Aqida knowledge). USIM thus offers a unique model to Islamic higher education seeking to ensure the quality and quality of output.

OBJECTIVES
1) To provide a platform for researchers to share research findings in education.
2) To share experiences and generate ideas for improvement in the quality of medical education.
3) To explore the current trend in Islamic medical education.
4) To develop the culture of research and collaboration among scholars and researchers.

TARGET AUDIENCE
1) Doctor of medical, dental and health sciences society
2) Medical Educators
3) Lecturers and students of medical, dental and health sciences society
4) Researchers
