The Author

Assistant Professor Dr Maizatun Mustafa obtained her LLB degree from the International Islamic University Malaysia in 1992, her MCL from the same University in 1993 and her PhD from the School of Oriental and African Studies, University of London in 2001. She has been a lecturer at the International Islamic University Malaysia since then and is currently an Assistant Professor attached to the Department of Public Law. Her major areas of interest are environmental law and the Malaysian legal system. She was appointed a consultant for the Department of Irrigation and Drainage Malaysia in 2005 for a project on 'Study and Detailed Design for Pollution Prevention and Water Quality Improvement' for the Pinang River in Pulau Pinang. In 2002–2003, she was a consultant for the Ministry of Work Malaysia for a project on 'National Water Commission', and for this she was awarded the 'Excellent Research Award' by the International Islamic University Malaysia in 2003. She has authored many articles in numerous publications and has presented at many conferences, both local and international. She is now a consultant with the Land Use Planning and Environmental Management Unit (LATEM), Harun M. Hashim Law Centre, Ahmad Ibrahim Kulliyah of Laws, International Islamic University Malaysia.
