Journal of Physics: Conference Series

Volume 949, Issue 1, 2 January 2018, Article number 012004

4th International Conference on Mathematical Applications in Engineering 2017, ICMMAE 2017; Faculty of Engineering, International Islamic University MalaysiaKuala Lumpur; Malaysia; 8 August 2017 through 9 August 2017; Code 133244

A note on a separating system of rational invariants for finite dimensional generic algebras (Conference Paper) ([Open Access](#))
Bekbaev, U. 

Department of Science in Engineering, KOE, IIUM, Malaysia

Abstract

[View references \(3\)](#)

The paper deals with a construction of a separating system of rational invariants for finite dimensional generic algebras. In the process of dealing an approach to a rough classification of finite dimensional algebras is offered by attaching them some quadratic forms. © Published under licence by IOP Publishing Ltd.
