# Success Stories of Malaysia's **GLOBAL REACH** and **CLMV** **PROGRAMME**

This book features the role of Malaysia in contributing its expertise to the international society. It showcases the achievements of public and private Malaysian Higher Learning Institutions in their efforts to help enhance the socio-economic development within the international community. The chapters published in this book feature the implementation and outcomes of various projects under the Malaysia's Global Reach (MGR); and the Cambodia, Lao PDR, Myanmar and Vietnam (CLMV) Programmes which aim, among other things, to nurture the soft power approaches in the region.

**Shukran Abdul Rahman** is an Associate Professor at Department of Psychology, International Islamic University Malaysia (IIUM). He holds Doctor of Occupational Psychology degree from Murdoch University, Australia. He lectures in Personnel Psychology, Psychometrics, Organisational Change and Development, Career Development, and Issues in Personnel and Organisational Psychology. His research areas include career development; organization development; organisational behaviour; changes and development in higher education; employability and graduateness of students in higher learning institutions. He is currently a Visiting Professor at the National Higher Education Research Institute (IPPTN), Coordinator for Graduateness Research Unit, IIUM, and Associate Research Fellow at IPPTN. He was the Head, Department of Psychology at IIUM, and a Visiting Academic in the Department of Educational Psychology at Taibah University, Al-Madinah Al-Munawwarah, Saudi Arabia.

**Munir Shuib** is the Deputy Director and an Associate Research Fellow at the National Higher Education Research Institute (IPPTN), Universiti Sains Malaysia. He received his MA and PhD in Applied Linguistics from the University of Sheffield, United Kingdom and Graduate Certificate in Tertiary Education Management from the University of Melbourne, Australia. He had served as the Coordinator for the School of Humanities' consultancy program, Coordinator for Universiti Sains Malaysia's thinking skills course, Head for English Language Studies program, as well as Deputy Dean in charge of industry and community network. His areas of interest include graduates' skills and competencies, curriculum development and university-community engagement. He also provides consultancies in these three areas and has published numerous papers in national and international journals. Some of his major studies and publications include topics on graduate employability skills, needs analysis, educational technology and English Language Teaching in higher education. He is also a member of ASIATEFL and the Global Higher Education Network (GHEN). He has collaborated with many international organisations including APHERP, Aceh Institute and LH Martin Institute in terms of giving talks, co-organising higher education related events and publications.
