The International Journal of Accounting, Finance and Business (IJAFB) is an academic, refereed journal published quarterly (March, June, September and December). This journal provides open access to its content on the principle that making research journal and academic manuscript freely available to the public supports a greater global exchange of knowledge. IJAFB publishes articles and theoretical reviews. IJAFB aims to address conceptual paper, book & article review, theoretical and empirical research issues that impact the development of Accounting, Finance and Business as an educational and scientific discipline, and promote its efficiency in the economic, social and cultural contexts.

The scope of the journal is broad and it includes but not limited to the following topics:

Accounting

- Accounting Information System
- Accounting System Analysis and Design
- Analysis and Use of Financial Statements
- Audit and Assurance
- Costing for Specialized Industries
