### Acceptance of your manuscript for publication

Dear Prof,

It is my sincere hope that this letter finds you in the best of healthy and spirit.

I am happy to inform you that your article entitled: “*Preventive Medicine and Maqasid Shari`ah: the Case of COVID-19*”, has been accepted for publication in the Revelation and Science journal with the following conditions;

- Please submit the finalized and formatted version of your manuscript, according to the guidelines mentioned in the following link, in terms of formatting particularly the referencing style: (<http://journals.iium.edu.my/revival/index.php/revival/index>)
- Please submit turn-it-in report of your manuscript

Once received the formatted version of your paper by our team, your manuscript will appear in one of the coming issues of the journal. Our copy editor/type setter might communicate to you for further details about some technical and formatting changes which need to be incorporated into the manuscript.

We look forward to your further contributions to journal’s mission of *integration* of human knowledge.

Thanks
