Hey? What are Architects doing in this situation? What can Architect contribute? Where is our SOCIAL RESPONSIBILITY?

HOW IT ALL STARTED.....

21 November 2020

March - July 2020

May - November 2020

PAM

- Checklist for Quarantine Centres
- Recruit Volunteers
- Conduct Webinar Series on Let's CSR on Covid19 Pandemic
- Established Think Tank to work with Ministry of Health Malaysia for healthcare infrastructure as proposed by DG of Health on 10 July 2020 Webinar

arcasia

ACSR/AEA conduct Survey on architects at 21 Institutes for feedback

From the Survey, Covid19 Taskforce was form to evaluate and present findings to ARCASIA Board

Taskforce create Roadmap to establish Guidelines for Architects, Public and Policy makers based on the survey, recognized limitation, scoped and provide points for verification and validation through webinar and workshop with international expert panels

Established 13ACG Guidelines As framework For Asia To be localized for action at respective member countries
