Dear Sir,

Department of Mechanical Engineering of Swami Vivekananda University (SVU) is going to organize an international webinar on “**Recent Advancements in Mechanical Engineering**” from 6th March to 8th March, 2021. In this connection the department is inviting you as a speaker to deliver your speech in the above mentioned area as well as share some experiences with the students of Mechanical Engineering of our institute. So, you are requested to deliver a speech (online) on **6th March 2021 at 11:00 A.M.** We are confident that your speech on the above mentioned topic will encourage our students a lot.

A letter of consent from your end will be highly appreciable.

Thanks and Regards
