Esteemed Sir

Asalamu Alaykum

We feel privileged to share with your benign self that we are organizing **3-Week International Interdisciplinary Research Methodology Workshop** from **21-12-2020 to 11-01-2021**. In this connection we earnestly request your kind self to favour us with a thought provoking lecture on *“Intuitive Thinking Skills and its Role in Research”* on **02-01-2021 at 11:00 am (Indian Standard Time)**. We are optimistic that this would help us to get benefited from your **profound scholarship** and **expertise** and it would also lead to the significant expansion in the horizon of new areas on the subject.

A word of confirmation in this regard would be highly appreciated.

With profound regards

Sincerely

Prof. (Dr.) Manzoor Ahmad Bhat
