Foreword

Dear readers,

My sincere pleasure to thank you for browsing through this book as the outcome of Tenaga Nasional Berhad's Dam Safety Program in Cameron Highlands. In the accomplishment of this book, the preparation of a disaster preparedness plan with the community in the vicinity of Susu Dam and Sultan Abu Bakar (SAB) Dam Cameron Highlands are completed under Tenaga Nasional Berhad's Dam Safety Program.

I would like to congratulate the members from TNB Research Sdn. Bhd. (TNBR) and International Islamic University Malaysia (IIUM) for their completion of this book. My honest appreciation and gratitude to

the team from Stesen-stesen Janaelektrik Cameron Highlands (SSJCH), TNB Research Sdn. Bhd. (TNBR), International Islamic University Malaysia (IIUM) and local agencies in Cameron Highlands for their continuous support throughout TNB Dam Safety Program.

Hence, I am looking forward for more effort and engagement together with the team to increase respondents understanding of information related to safe haven and evacuation route for the well-being of the community. May all the outcome contributed the community and benefited us all, in shaa Allah.

Sincerely,

Mustafa Hashim
Chief
Stesen-stesen Janaelektrik
Cameron Highlands (SSJCH)

Preface

This first edition of the book published as the documenting of events under Dam Safety Program organized in collaboration with Stesen-stesen Janakuasa Elektrik Cameron Highlands (SSJCH), TNB Research Sdn. Bhd. (TNBR), International Islamic University Malaysia (IIUM) and local agencies in Cameron Highlands.

The pieces featured in this book were photographed and written during the running of this dam safety program from October 2018 to June 2019. This book features the events and activities engaged with the affected community in the vicinity of Susu Dam and Sultan Abu Bakar (SAB) Dam of Cameron Highlands. The programmes with the community are in the

context of community awareness and preparedness on disaster risk management programme installed by Tenaga Nasional Berhad.

Finally, with this opportunity I am addressing my gratitude to the members from TNB Research Sdn. Bhd. (TNBR) and International Islamic University Malaysia (IIUM) for the publishing of this book. My sincere thanks to members of Stesen-stesen Janaelektrik Cameron Highlands (SSJCH), TNB Research Sdn. Bhd. (TNBR), International Islamic University Malaysia (IIUM) and local agencies in Cameron Highlands for a successful collaboration throughout the programme.
