Dear Prof./Assoc. Prof/Asst Prof/Dr.

INVITATION AS A SPEAKER FOR THE PUBLIC TALK 'PENJAGAAN IBU DAN SI KECIL'

May this letter reach you in the best of Iman and health by the grace Allah S.W.T.

With reference to the above, on behalf of the secretariat, I am delighted to extend an invitation for you to participate and speak in the public talk organised by the Asian Medical Students' Association International Islamic University Malaysia (AMSA IIUM), in collaboration with the Medical Student Society International Islamic University Malaysia (MedSS IIUM), which will take place on 2nd May 2021.

2. The aim of this programme is to address the issue of nutrition deficiency in pregnancy and role of family planning in prevention of maternal morbidity and mortality, especially among high risk groups and low socioeconomic background. Our focus is on issues which are preventable by proper education, adequate nutrition and easy access to the health services. We would also like to highlight the massive efforts being poured by the Mother and Child Health unit of the Malaysian Healthcare System, hoping for the realisation of the society on the various options they have for better living.
3. Thus, it will be an honour for us to have Prof./Assoc. Prof/Asst Prof/Dr. as one of our panellists in this virtual forum to enlighten the audience over the issues of maternal and child healthcare. Hereby attached are the details of the programme. **On a further note, we highly encourage for the topic to be assisted with a PowerPoint presentation to enhance the delivery of the talk.**

Program:	PENJAGAAN IBU DAN SI KECIL
Date:	2 May 2021, Sunday
Time:	8:30 a.m. – 12:30 p.m.
Platform:	Zoom SUPC and Facebook AMSA IIUM
Objectives:	<ol style="list-style-type: none"> 1) To increase the community awareness, especially those with low socioeconomic status on proper nutrition for mother and child. 2) To help in reducing perinatal and neonatal morbidity and mortality by educating the public, especially the mothers, on maternal and child nutrition and healthcare.
