Dear Author,

We are happy to receive the abstract from your side. For now, we have accepted your paper with id 21065 titled "Environmental Gaseous Sensing Using Sniffer UAV for Urban Development Control" on the basis of the abstract. It makes your work eligible for presentation at the conference. We will communicate the mode of the presentation later (Oral or Poster).

We emphasise maintaining the quality of the work. Thus after receiving your manuscripts, they will be communicated to the reviewers. Upon receiving their comments, we will communicate them to you for making improvements.

We are happy to inform that an extended version of the selected manuscripts of the highest quality will be communicated to **PFG – Journal of Photogrammetry, Remote Sensing and Geoinformation Science** (<https://www.springer.com/journal/41064/>) which is SCIE and Scopus Indexed with an Impact Factor of 1.395 and is a **Q1 Journal**. The rest of the selected manuscripts will be published in **Springer- Lecture Notes in Civil engineering**.

We advise all the authors to follow the guidelines by Springer for Book. Springer has compiled a list of key style points on manuscript structure, figure resolution, reference style etc., which – if considered during manuscript preparation – will help facilitate and speed up the publication process for your book. For easy reference, please visit the [Key Style Points](#) on [springer.com](http://springer.com).

Again if you feel that you do not have time for formatting before conference, you can do it after the conference in the later stage of the review. For your suitability, we will upload a word template for the same on the website.

**PLEASE REGISTER FOR THE CONFERENCE AND USE YOUR PAPER ID FOR REGISTRATION AND FUTURE CORRESPONDENCE.**

Best Wishes

**Thanks and Regards**  
**Team UASG-2021,**  
**IIT Roorkee, India.**
