Vol. 6 No. 17 (2021): Aug. 9th Asian Conference on Environment-Behaviour Studies, AcE-Bs2021, 28-29 Jul 2021

# Vol. 6 No. 17 (2021): Aug. 9th Asian Conference on Environment-Behaviour Studies, AcE-Bs2021, 28-29 Jul 2021

Further to our first hybrid (F2F + Virtual) conference, the 33rd international AicQoL2021BukitTinggi, Pahang on 17-18 Mar 2021, our 34th international conference, the WoS-indexed AcE-Bs2021 (9th Asian Conference on Environment-Behaviour Studies), was supposed to be held at Perdana Kota Bharu, Kelantan, Malaysia from 28-29 Jul 2021. However, the prolonged uncertainty of the Movement Control Order (MCO) due to the Covid 19 pandemic, had led us to organize it virtually from the Faculty of Architecture, Planning & Surveying (FSPU), Universiti Teknologi MARA, Shah Alam, Malaysia.

The AcE-Bs2021 focuses on Environment-Behaviour issues affecting the Asian/African/Arabian communities in both their countries and nons. Issues affecting other communities are also most welcomed.
