

Our ref. no : 12/ISNPM-ITB/2018

August 23, 2018

Letter of Acceptance for the participation in 2nd International Seminar On Natural Product Medicine which will be held in Bandung on October 4-5, 2018.

Dear, Dr. Mohd Shukri Baba

We are pleased to inform you that your submitted abstract as specified below:

In vivo antiparasitic activity and toxicity evaluation of *Trichosanthes cucumerina* against the growth and survival of zoonotic haemoflagellate *Trypanosoma evansi* in mice

has been evaluated by our committee and officially accepted for **ORAL PRESENTATION** in 2nd International Seminar On Natural Product Medicine which will be held in Bandung on October 4-5, 2018. Your presentation code will be **OP-01**

We really appreciated all the attention and support given for the success of The 2nd International Seminar On Natural Product Medicine (2nd ISNPM). Please feel free to contact us (isnprm@fa.itb.ac.id) should there be any inquiries. Please visit our website from time to time to see the latest updates on 2nd ISNPM.

Thank you and we are looking forward to meet you in Bandung, Indonesia!

Sincerely,

Dr. Muhamad Insanu
Chairman of 2nd ISNPM
