

## SEAOHUN 2018 International Conference Hanoi Medical University, Vietnam

### Parallel Session 1: One Health Policy, 14 November 2018 at 8.30 – 10.00 HRS

| Code          | Name                     | Title   | Country   | Organization   |
|---------------|--------------------------|---|-----------|--|
| <b>PS1-01</b> | Kaylee Myhre Errecaborde | Factors that Enable Effective One Health Collaborations - A Scoping Review of the Literature  | USA       | University of Minnesota College of Veterinary Medicine   |
| <b>PS1-02</b> | Dao Thu Trang            | Strengthening One Health Capacity for One Health Implementation in Vietnam - Phase 2 (SCOH2)  | Vietnam   | Vietnam One Health Partnership for Zoonoses (OHP) Ministry of Agriculture and Rural Development (MARD) |
| <b>PS1-03</b> | Agus Heri Setiawan       | Establishing a One Health Laboratory Network (OHLN)   | Indonesia | One Health Laboratory Network Program Manager  |
| <b>PS1-04</b> | Maris E V Mitchell       | One Health Surveillance System Response, an Investigation of a Hypothetical Event: a Resistant Pathogen is Found in a Person During a Foodborne Disease Outbreak, Vietnam | Australia | International Livestock Research Institute   |
| <b>PS1-05</b> | Norhidayu Binti Sahimin  | Neglected Tropical Diseases among Migrant Workers: A Malaysian Case Study   | Malaysia  | Faculty of Science, University Of Malaya   |

**ALL PRESENTERS** are required to register on the conference website at <https://www.seaohunconference.org/>.

**Parallel Session 2: Infectious Disease (I), 14 November 2018 at 8.30 – 10.00 HRS**

| Code          | Name              | Title  | Country   | Organization  |
|---------------|-------------------|--|-----------|---|
| <b>PS2-01</b> | Dom Peou          | Epidemiologic Characteristics of Rabies Post Exposure Prophylaxis and Human Rabies in Northern Region of Vietnam   | Cambodia  | Hanoi Medical University  |
| <b>PS2-02</b> | Pham Hong Son     | Screening Rabies Virus with Shifting Assay of Standardized Direct Hemagglutination Inhibition (SSDHI) Technique and Culling Carrying Dogs are Valuable as Supplementary Measures to Anti-Rabies Vaccination in Eliminating the Infection | Vietnam   | Hue University of Agriculture and Forestry, Hue University                              |
| <b>PS2-03</b> | Nila Puspita Sari | The Effort for Rabies Prevention in the Midst of Society by the Dog Owners in the Marpoyan Damai District, Pekanbaru   | Indonesia | STIKes Hang Tuah Pekanbaru  |
| <b>PS2-04</b> | Abdul Rashid Khan | Instilling Good Knowledge, Attitude and Practices among the Indigenous People of Malaysia Concerning Dog Associated Zoonotic Infections  | Malaysia  | Royal College of Surgeons in Ireland & University College Dublin Malaysia Campus (RUMC) |
| <b>PS2-05</b> | Le Duc Huy        | Awareness and Risk Behaviors among Ethnic Minority Community in Mountainous Area, Thua Thien Hue Province towards Zoonotic Disease   | Vietnam   | Hue University of medicine and pharmacy   |

**ALL PRESENTERS** are required to register on the conference website at <https://www.seaohunconference.org/>.

**Parallel Session 3: One Health Education and Training, 14 November 2018 at 10:30 – 12:00 HRS**

| Code          | Name                       | Title  | Country  | Organization  |
|---------------|----------------------------|--|----------|---|
| <b>PS3-01</b> | Iris Shurdhi               | Strengthening and Expanding Vietnam One Health Workforce: Integrating Applied Biorisk Management (BRM) Concepts into VOHUN Academic Curriculum | USA      | Sandia National Laboratories (SNL)                                    |
| <b>PS3-02</b> | Emilia Zainal Abidin       | Incorporating One Health Aspects into Occupational Safety and Health Training at a Malaysian Zoo: Development of Emergency Response Plan       | Malaysia | Universiti Putra Malaysia   |
| <b>PS3-03</b> | Norbert Mencke             | Global Responsible Use of Fluoroquinolones in Veterinary Medicine  | Germany  | Bayer Animal Health GmbH  |
| <b>PS3-04</b> | Pham Phuong Mai            | Knowledge and Practices Regarding Dengue Prevention of People Living In Hanoi In 2017  | Vietnam  | Hanoi Medical University  |
| <b>PS3-05</b> | Siti Fatimah Kader Maideen | The “Jahai” and Bush Meat Consumption: a Snapshot of the Situation among Indigenous in Belum Forest, Malaysia                                  | Malaysia | RCSI & UCD Malaysia Campus (Formerly known as Penang Medical College) |

**ALL PRESENTERS are required to register on the conference website at <https://www.seaohunconference.org/>.**

**Parallel Session 4: Infectious Disease (II), 14 November 2018 at 10:30 – 12:00 HRS**

| Code   | Name                   | Title   | Country   | Organization  |
|--------|------------------------|---|-----------|---|
| PS4-01 | Nissa Noor Annashr     | Determinants of Compliance to Mass Drug Administration (MDA) for Lymphatic Filariasis in Endemic District of Indonesia  | Indonesia | Kuningan Health Science Institute, West Java Province,  |
| PS4-02 | Rini Mutahar           | Risk Factors of Filariasis : A Case-control Study in Banyuasin  | Indonesia | Sriwijaya University                                    |
| PS4-03 | Paul Cliff Simon Divis | Variations of Proportions of <i>Plasmodium knowlesi</i> Subpopulations in an Area with High Zoonotic Malaria Transmission in Malaysian Borneo   | Malaysia  | Malaria Research Centre, Universiti Malaysia Sarawak    |
| PS4-04 | Mohd Shukri Bin Baba   | One Health Concept on the <i>in vivo</i> Antiparasitic Activity and Toxicity Evaluation of <i>Elettaria cardamomum</i> towards the Growth and Survival of Zoonotic Haemoflagellate, <i>Trypanosoma evansi</i> | Malaysia  | International Islamic University Malaysia               |
| PS4-05 | Nguyen Duy Phong       | Epidemiological Factors and Clinical Manifestations of <i>Streptococcus suis</i> meningitis Patients Treated at Hospital for Tropical Diseases – Ho Chi Minh City – Vietnam                                   | Vietnam   | University of Medicine and Pharmacy at Ho Chi Minh city |

ALL PRESENTERS are required to register on the conference website at <https://www.seaohunconference.org/>.

**Parallel Session 5: Antimicrobial Resistance (AMR), 14 November 2018 at 13:00 – 14:30 HRS**

| Code   | Name                                      | Title   | Country    | Organization  |
|--------|---|---|------------|---|
| PS5-01 | Professor To' Puan Dr Nordiah Awang Jalil | Strategies to Prevent and Control Methicillin-Resistant <i>Staphylococcus aureus</i> Infections in a Tertiary Hospital                                | Malaysia   | Universiti Kebangsaan Malaysia Medical Centre                         |
| PS5-02 | Vu, Thi Thu Tra                           | Quantification and Characterization of ESBL/AMPC-Producing Enterobacteriaceae in Retail Seafood in Germany  | Vietnam    | Vietnam National University of Agriculture, Freie Universitaet Berlin |
| PS5-03 | Mohd Faizal Ghazali                       | Prevalence of MRSA In Goat and Sheep Milk in Terengganu Malaysia  | Malaysia   | Universiti Sultan Zainal Abidin                                       |
| PS5-04 | Hoe Chee Hock                             | Occurrence and Antibiotic Resistance of <i>Listeria Monocytogenes</i> Isolated from Fresh Water Fish in East Coast Malaysia                           | Malaysia   | Faculty of Veterinary Medicine, Universiti Malaysia Kelantan          |
| PS5-05 | Dr. Helmy bin Hazmi                       | Nasal Carriage of Multi-Drug Resistant <i>Staphylococcus aureus</i> Isolated from Preclinical and Clinical Medical Students in a Malaysian University | Malaysia   | Universiti Malaysia Sarawak   |
| PS5-06 | Muhammad Asaduzzaman                      | Presence of Airborne Resistomes in the Poultry and Household Environment in Bangladesh with Spatial Diversity   | Bangladesh | icddr,b Bangladesh, University of California Berkeley                 |

**ALL PRESENTERS are required to register on the conference website at <https://www.seaohunconference.org/>.**

**Parallel Session 6: Infectious Disease (III), 14 November 2018 at 13:00 – 14:30 HRS**

| Code   | Name                      | Title   | Country  | Organization   |
|--------|---------------------------|---|----------|--|
| PS6-01 | Gayathri Thevi Selvarajah | 10 Years Study on Feline Sporotrichosis Diagnosed at the University Veterinary Hospital of University Putra Malaysia and the Zoonotic Implications  | Malaysia | Department of Veterinary Clinical Studies, Faculty of Veterinary Medicine, Universiti Putra Malaysia |
| PS6-02 | Jacinta Santhanam         | Molecular Identification and Antifungal Susceptibility of <i>Sporothrix schenckii</i> Isolated from Cats and Humans in Malaysia   | Malaysia | Universiti Kebangsaan Malaysia   |
| PS6-03 | Hui Yee Chee              | Loop-Mediated Isothermal Amplification (Lamp): a Robust Tool to Detect Leptospiral DNA From Various Sample Types  | Malaysia | Universiti Putra Malaysia  |
| PS6-04 | Dr. Lesley Maurice Bilung | A Study of <i>Leptospira</i> spp. in the Environment and Small Mammals of Sarawak (Malaysia): Distribution, Antibiotic Susceptibility and Molecular Characterization of <i>Leptospira</i> Strains | Malaysia | Universiti Malaysia Sarawak (UNIMAS)   |
| PS6-05 | Le Thi Phuong Mai         | <i>Leptospira</i> Infection in Traditional Livestock and More Intensive Scheme Villages   | Vietnam  | National Institute of Hygiene and Epidemiology (NIHE)  |

**ALL PRESENTERS are required to register on the conference website at <https://www.seaohunconference.org/>.**

**Parallel Session 7: Food Safety, 14 November 2018 at 15:00 – 16:30 HRS**

| Code          | Name                             | Title  | Country  | Organization   |
|---------------|----------------------------------|--|----------|--|
| <b>PS7-01</b> | Juriah Binti Kamaludeen          | A Preliminary Study of Umai Delights in Bintulu, Borneo Sarawak  | Malaysia | Universiti Putra Malaysia  |
| <b>PS7-02</b> | Norhamizah Abdul Hamid           | Prevalence of <i>Toxoplasma gondii</i> in Meat From Cattle, Goats and Sheep from Wet Markets in Klang Valley and Abattoirs in Selangor, Malaysia | Malaysia | Department of Veterinary Clinical Studies  |
| <b>PS7-03</b> | Sharifah Norkhadijah Syed Ismail | The Impact of Soil Pollution Associated with Bauxite Mining Activity on Food Safety and Health Risk in Malaysia                                  | Malaysia | Universiti Putra Malaysia  |
| <b>PS7-04</b> | Nguyen Duy Phong                 | The Prevalence of Parasites in Fresh Vegetables At the Markets of Bac Lieu City - Vietnam  | Vietnam  | University of Medicine and Pharmacy at Ho Chi Minh city  |
| <b>PS7-05</b> | Vu, Thi Thu Tra                  | Effect of High Hydrostatic Pressure on Inactivation of <i>Vibrio</i> spp.  | Vietnam  | Lecturer at Vietnam National University of Agriculture<br>PhD student at Freie Universitaet Berlin |

**ALL PRESENTERS are required to register on the conference website at <https://www.seaohunconference.org/>.**

**Parallel Session 8: Infectious Disease (IV), 14 November 2018 at 15:00 – 16:30 HRS**

| Code   | Name                   | Title  | Country     | Organization                          |
|--------|------------------------|--|-------------|---------------------------------------|
| PS8-01 | Low Cheah Rhong        | Knowledge and Awareness of MERS CoV Transmission and Infection among Individual Planning for Hajj  | Malaysia    | Universiti Putra Malaysia (UPM)       |
| PS8-02 | Razitasham Safii       | Japanese Encephalitis in Rural District in Sarawak; Human-Animal Interface   | Malaysia    | University Malaysia Sarawak           |
| PS8-03 | Daesub Song            | Canine Influenza Viruses: One-health Perspectives  | South Korea | College of Pharmacy, Korea University |
| PS8-04 | Kenny Voon Gah Leong   | Human, Swine and Fruit Bats Antibodies against <i>Pteropine orthoreovirus</i> in Peninsular Malaysia   | Malaysia    | International Medical University      |
| PS8-05 | Nguyen Hang Nguyet Van | Knowledge, Self-Reported Practice and Associated Factors towards Prevention of Surgical Site Infection among Health Workers Working in 19.8 General Hospital, Hanoi, Vietnam, 2017 | Vietnam     | Hanoi School of Public Health         |

**ALL PRESENTERS** are required to register on the conference website at <https://www.seaohunconference.org/>.
