

INTRODUCTION

It has come to our attention that Rector's name and indirectly IIUM's name, were cited as the supporter in a movement to discredit government's effort to vaccinate the population using inaccurate information to Ahli Jawatankuasa Hukum Syarak Negeri Pahang on 18th August 2021 (refer the attached PDF - please do not distribute).

An online meeting was conducted with Tan Sri Rector on the last Friday, 20th Aug 2021 at 4:45PM to discuss this matter and we agreed to present to the relevant officers from the relevant religious organisations (as below) about IIUM's role and also to update the religious scholars about the current status of the COVID-19 vaccines coverage and effectiveness.
