May 2014
Kyoto, Japan

京都

ICNSE

International Congress on
Natural Sciences and Engineering

ISEPSS

International Symposium on
Education, Psychology and Social Sciences

ICCBES

International Congress on
Chemical, Biological and Environmental Sciences

ICSSAM

International Conference on
Social Science and Management

Biological Science I

Room A

13:10-14:40

Thursday, May 8

Session Chair: *Prof. Amira Mohsen Hamdan*

ICCBES-398

Efficient Utilization of Egyptian Marine Microbial Diversity For Potential Use as Fish Probiotics

Amira Mohsen Hamdan *Faculty of Science, Alexandria University*

Abdel Fattah Mohamed *Faculty of Science, Alexandria University*

El-Sayed

Marwa Mahmoud Mahmoud *Faculty of Science, Alexandria University*

ICCBES-418

Gancidin W, A Diketopiperazine As Promising Antimalarial Agent Isolated from Endophytic Streptomyces SUK10

Mohd Shukri Baba *Universiti Kebangsaan Malaysia*

Zainal-Abidin B.A.H. *Universiti Teknologi MARA*

Latip, J *Universiti Kebangsaan Malaysia*

Edrada-Ebel, R.A. *University of Strathclyde*

Zin, N.M *Universiti Kebangsaan Malaysia*

ICCBES-442

Polyphenols Extracted from Seaweeds Affect the Activity and Lipid Accumulation in 3T3-L1 Adipocytes

Chia Ying Tsai *National Changhua University of Education*

Wei Lung Wang *National Changhua University of Education*

ICCBES-502

Modeling Tandem AAG8-MEK Inhibition in Melanoma Cells

Bing Sun *University of Tokyo*

Teruyuki Nagamune *University of Tokyo*

Management & Marketing II

Room B

13:10-14:40

Thursday, May 8

Session Chair: *Prof. Hsiu-Tsu Cho*

ICSSAM-666

Dispositional Trait, Discrete Emotion, and Occupational Commitment

Hsiu-Tsu Cho

National Taichung University of Education

Chun-Han Yu

National Taichung University of Education

ICSSAM-672

Measuring the Efficiency of Logistic Industry in Taiwan by DEA

Ming-Chi Tsai

I-Shou University

Munkhzul Ninj

Landbridge LLC

Wen-Hsin Fang

I-Shou University

Meei-Ing Tsai

I-Shou University

ICSSAM-684

Segmentation of Lccs users Based On Their Relationship with The Tourist

Establishment and Host Country

Piyasuda Archasantisuk

Chulalongkorn University

Punthumadee Katawandee

Chulalongkorn University

ICSSAM-687

Analysis of Auto Spare Parts Demand with Random Matrix Approach

Chi Zhang

The University of Tokyo

Yu Chen

The University of Tokyo

ICSSAM-702

Industrial Changes in Environmental Performance- an Empirical Overview Using Data Envelopment Analysis

Yi-Chun Kuo

Chung Yuan Christian University

Po-Hsuan Tseng

Chung Yuan Christian University

ICSSAM-962

Cost Saving Model for Freight Transportation Companies Operating in Urban Environment

- Andrii Komar *Korea Advanced Institute of Science and Technology*
- Jae Jeung Rho *Korea Advanced Institute of Science and Technology* LLC
- Moon Gyu Kim *Korea Advanced Institute of Science and Technology*

ISEPSS-2051

Enhancing the Service Flow of SOC Design Service Providers' by Using the Fuzzy DEMATEL and the Rough Set Theory

- Chi-Yo Huang *National Taiwan Normal University*
- Ming-Jenn Wu *National Taiwan Normal University*
- Yu-Sheng Kao *National Taiwan Normal University*
- Hsueh-Hsin Lu *National Taiwan Normal University*
- Qi Lu *National Taiwan Normal University*
- Tzu Cheng Lin *National Taiwan Normal University*
- Bo-Wen Hsiao *National Taiwan Normal University*

Finance & Economics I

Christian Wolff *University of Luxembourg, and CEPR*
George Pennacchi *University of Illinois at Urbana-Champaign*
Theo Vermaelen *University of Illinois at Urbana-Champaign*

ICSSAM-477

The Contemporaneous Relation between VIX Options Volume and VIX Index Change: A Test of the Information Hypothesis

Wei-Che Tsai *National Sun Yat-sen University*
Dian-Xuan Kao *National Taiwan University*
Yaw-Huei Wang *National Taiwan University*

ICSSAM-450

Do Fund Families Take the Discrepancy Strategies toward the Best Fund Awards?

Pi-Hsia Hung *National Chi Nan University*
Lin Lin *National Chi Nan University*
Pei-Jhen Su *Cathay Financial Holding Co., Ltd.*

ICSSAM-535

Proximity and IPO Underpricing

Ulf Nielsson *Copenhagen Business School*
Dariusz Wojcik *University of Oxford*

ICSSAM-965

Does Clean Energy Cause Economic Growth?

Jikhan Jeong *Korean Electric Power Corporation*

Education II

AV Room

13:10-14:40

Thursday, May 8

Session Chair: *Prof. Pudtan Phanthunane*

ICSSAM-746

A Study on Audiences Experience Affect Experiential Value from the Curating Points of View: Taking the Exhibition of Teaching Achievements as an Example

Lin Chia-Hua *Tatung University*

Hsiao-Ching Huang *Tatung University*

Liang-Yuan Che *Tatung University*

ICSSAM-754

Providing Special Education Programs to Disabled and Underprivileged Children in Highland Areas of Thailand

Pudtan Phanthunane *Naresuan University*

Suphanaree Pho-Ong *International Health Policy Program*

Supasit Pannarunotha *Naresuan University*

Jongjit Chaiyawong *Special Education Center of Mae Hong Son*

ICSSAM-872

The Use of Authentic Materials for ESL Learners in Language Classes

Wing Sze Bidy Yiu *Hong Kong Polytechnic University*

ICSSAM-880

How Working Experience Affects English Learning Motivation and Career Planning with Medical Junior College Students in Taiwan?

Zih-Ling Lin *Shu Zen Junior College of Medicine and Management*

Modeling Agent-Based Systems Using Interpreted Petri Net in the Internet of Things Environment

Mengru Tu *National Taiwan Ocean University*

ICNSE-826

An Adaptive Modeling Approach with Complex Fuzzy Sets and its Application on Forecasting

Chunshien Li *National Central University*

Hsin-Hui Cheng *National Central University*

ICNSE-919

Engineering Properties of Self-Compacting Lightweight Aggregate Concrete

How-Ji Chen *National Chung Hsing University*

Wen Po Tsai *National Chung Hsing University*

ICNSE-818

The Effect of Structural Morphologies on Ultra-sensitive to H₂S Gas-sensing Performances of SnO₂ Nanostructures Synthesized via a Flame Spray Pyrolysis and High Current Heating Techniques

Watcharee Nakla *Chiang Mai University*

Chaikarn Liewhiran *Chiang Mai University*

Anurat Wisitsora-at *National Electronics and Computer Technology Center*

Adisorn Tuantranont *National Electronics and Computer Technology Center*

Pisith Singjai *Chiang Mai University*

Sukon Phanichphant *Chiang Mai University*

ICNSE-738

Degradation of Atrazine in Water by Chemical-Free Radicals Generated by Ultrasound and UV Irradiation

L. J. Xu *Hong Kong Polytechnic University*

Wei Chu *Hong Kong Polytechnic University*

ICNSE-782

Exploration of Technology-driven Convergence through Mergers and Acquisitions: A Structural Change in the TIME Industries

Yoonjung An *Seoul National University*
Heeyeul Kwon *Seoul National University*
Yongtae Park *Seoul National University*

Organized by Higher Education Forum
