eBook **MYR242.74** (including SST)

[ADD TO CART](#)

**The Malaysia Company Law: Principles and Practices, 3rd Edition** provides a detailed analysis of the core company law principles, incorporating amendments in 2019 to the *Companies Act 2016*. The materials cover extensive number of reported cases with extracts of significant dicta and relevant statutory provisions, combining the discussion of the *Companies Act 2016* and the previous *Companies Act 1965*. Together with the thoughtful use of tables, diagrams and flowcharts, this publication enables readers to engage in a critical examination of the law as it is and as it ought to be

### Key Features & Benefits

- Includes all the relevant and latest provisions relating to the *Companies Act 2016* and its subsidiary legislation, Malaysian Code of Corporate Governance 2021, Malaysian Code on Take-overs and Mergers 2016, Bursa Malaysia Listing Requirements and other relevant Acts and guidelines
- Complex corporate law principles are clarified simply and succinctly and where relevant, with the good use of tables, diagrams and flowcharts
- Contains a huge corpus of cases linking to key principles, highlighting the relevant facts and judicial pronouncements
- Provides practical insights into understanding company law by way of contextual application of the law and industry practice, with insights for assisting companies incorporated under the former *Companies Act 1965* to adapt to the *Companies Act 2016*

### Topics Covered

- Registration and promotion of a company
- Incorporation, legal personality and lifting of the corporate veil
- Company's constitution
- Company contracts – relationship with third parties and the authority of agents
- Share capital and capital raising
- Dealings and transactions involving share capital
- Loan capital and debentures
- Members and ownership of shares
- Shareholders' meetings and the decision-making process
- Directors: Governance role, powers and functions
- Directors' duties: Best interests of the company and proper purpose
- Directors' duty to avoid conflicts of interest and self-dealing
- Duty of care, skill and diligence and liability during insolvency
- Majority rule and minority protection – enforcing company's rights and members' rights
- Reporting obligations of a company
- Compromise and arrangement under s 366, *Companies Act 2016*
- Corporate rescue: Company voluntary administration and judicial management
- Company winding up, dissolution and striking off

### About the Authors

**Professor Dr Aiman Nariman binti Mohd Sulaiman** graduated from the International Islamic University Malaysia (IIUM) in 1993 with First Class Honours and subsequently obtained her Masters in Comparative Law in 1994. She graduated with a doctoral degree (SJD) from Bond University, Australia in 2000 with a thesis on the enforcement of corporate law. Her wider research interests are on regulatory techniques and enforcement strategies in corporate law and governance. She has been a visiting professor at the School of Law, Bond University and Fakultas Hukum, Universitas Indonesia. She has served as a member of IIUM Audit Committee, the Listing Committee of Bursa Malaysia and is currently a member of Bursa Malaysia Markets Participants Committee and MIA Ethics Standards Board. She is attached to the Faculty of Law, IIUM and has been a faculty member since 1994. She was also the author for Commercial Applications of Company Law in Malaysia by Wolters Kluwer.

**Effendy bin Othman** graduated with First Class honours in law from the International Islamic University Malaysia. He also holds Masters' Degree in Law from the London School of Economics and Political Science and University of Cambridge respectively. He is the General Counsel of Bank Islam Brunei Darussalam Berhad. Effendy is the co-author for the Malaysian chapter on *Asian Conflict of Laws: East and South East Asia* by Wolters Kluwer (2015) and the lead author for the Malaysian section of the Global Perspectives on the Hague Principles chapter of the *Choice of Law in International Commercial Contracts* (2021 – Oxford University Press).
