Guidelines for submitting full length papers shall be available at our conference web-link under downloads section (<http://icact.co.in/downloads/>). I suggest you, to carefully format your paper according to Springer guidelines.

Please check the following before submitting final camera paper:

1. Title should be clear and reflect the content of the paper precisely.
2. Please make sure that the plagiarism content of the paper is less than 20% in case of Turnitin check or 25% in case of iThenticate check (with references).
3. Author(s) name and affiliations are in order (Do not include the designation of authors such as Lecturer, Professor, Research scholar, student and so on..)
4. Do not include prefix to any authors such as Dr., Mr and so on..
5. Please pay attention and ensure the the language of the paper is good.
6. At-least five keywords must be provided
7. Citations of the references in the body of the paper is in line with Springer template.
8. Proposed method has been clearly explained.
9. The organization of the paper is good.
10. All the figures and graphs given in the paper are in good resolution.
11. All the equations are typed using equation editor software.
12. Reference list is in accordance to Springer format.
13. Do not include author(s) biography at the end of the paper.
14. Please do not use first person pronouns such as I, we, us and extra throughout the paper.
15. In acknowledgement section, do not acknowledge the co-authors and also the affiliated Institute/center.

Papers, not strictly following Springer formats, may be declined to be published in Springer's LNEE series. The camera ready papers in Microsoft office word document shall be submitted to the same mail id (icaect2021@gmail.com) as soon as possible. Other formats of the camera ready paper such as Latex will be accepted by the ICAECT publication office. However, the pdf formats will be accepted if the paper had been written in Latex provided that the pdf version of the camera ready paper strictly follows the Springer template. If the paper is declined to be published by the Springer on plagiarism grounds, ICAECT office will not undertake any responsibility to publish the paper in any other publications.

Please do not hesitate to contact us for further queries (if any). Visit our website for the updates of ICAECT 2021.

We look forward to your participation in ICAECT 2021. Many thanks for your support to ICAECT 2021.

With Best Regards,

Dr. THANGAPRAKASH SENGODAN Ph.D.,

Conference Chair, ICAECT 2021.
