Rawad Abdulghafor:

We have reached a decision regarding your submission to International Journal on Perceptive and Cognitive Computing, "SRC Voting System with Face Authentication".

Our decision is to: ACCEPT your manuscript for publication in IJPCC. The comments of the reviewers who reviewed your manuscript are included at the foot of this letter. We ask that you make changes to your manuscript based on those comments before submitting the final version as soon as possible in order to have your paper published in this coming issue.

Finally, please improve the English grammar and check spelling, as it is only lightly edited before publication.

Thank you for your fine contribution.
