Support Us

This project has been conducted out of goodwill from a group of international researchers. We need your generous support by

1. Joining the CARE project as collaborators and be involved in research publications;
2. Sending donations in support of the project (please email Daniel Fong at dytfong@hku.hk) and/or
3. Sharing the survey in your social network

All data are anonymously collected. This research study has been approved by the Institutional Review Board of the HKU/HKWC (ref no: UW 20-272)

We like to take the opportunity to thank people who have provided great support to this CARE project in various aspects.

Miss Bobo Chan, Miss Ningjing Chen, Ms Chanchan Wu, Miss Heidi Fan, Mr Jayson Yu, Miss Sujin Nam
