On behalf of the organizing committee, it is a great pleasure to welcome you to the Malaysia-International ASAMI Conference 2021. This biannual event will be held from (25th -26th August 2021). In preparation for the event, the scientific committees have work hard to put together a very comprehensive program which covers diverse aspects of limb reconstruction using ilizarov and orthoplastic approach. Be prepared to be updated and educated by a well-constructed scientific program consist of lectures and hands on workshops which aims to deliver dynamic updates and knowledge by well-known expertise in their field.

We welcome researchers and surgeon to present in the oral presentation where prizes will be given to the best three presenters. Delegates will also be offered demonstrations on new technologies and showcase of new products at an exhibition set which will be held throughout the event. It's with great honor that I cordially invite you to participate in the the Malaysia-International ASAMI Conference 2021.

I hope that you will find the meeting vastly informative and enjoyable. It will definitely be a great way for you to visit Malaysia and enjoy the delights of our country especially in Kuantan city, the gateway to the East Coast I am looking forward to seeing you and share our experience and build a lasting relationship together.

Thank you

Prof. Dr. Nazri Mohd Yusof
