Marital Relationship

- Marriage is a legal contract between two people. Both the groom and the bride are to consent to the marriage of their own free wills.
- According to Islam, marriage has its objectives:
 - to complete man's and woman's life,
 - to achieve a peaceful life,
 - to balance their emotions,
 - to achieve the love and passion between them,
 - to have children,
 - to **legalize sexual practices.**

- The **legalize sexual practices** can be accomplished **through marriage (*nikah*)** and brings reward (*al-ajr/ sawaab*),
- Islam differentiates between sex in marriage and sex outside of marriage in order to make clear the difference between what is permitted and forbidden (*halal* and *haram*).
- Islam dichotomizes sexual life into sex as religious duty (*'ibadah*) and sex as fornication (*zina*).
- *Zina* is conducted outside of legalized marriage and brings punishment from Allah.
