Dear Siti,

We are happy to inform you that a reviewer submitted comments for your submission. To review these comments and please login in to your [dashboard](#)

Comment :

1). This is a wonderful study. However, regarding the abstract, the finding and the conclusion of the study were unclear. In addition, a brief description of the DesignSPPhysics and any recommendations for future study may increase the readability of the abstract.

2). Accepted

Regards,

Scientific Committee
