

Dear Dr Ahmad El-Muhammady,

Greetings! We hope this finds you well.

The Institute of Strategic and International Studies (ISIS) Malaysia is pleased to convene a **closed-door roundtable on Terrorism and the Prevention of Violent Extremism** in conjunction with the United Nations Office on Drugs and Crime visit on **18 February 2022** from **1530 – 1700**. The roundtable will be held in a hybrid format, with presenters and participants requested to attend via online. Please find a draft programme attached online for your perusal.

We would be most grateful should you be available to participate as a **speaker** to deliver the “**Initial remarks on Terrorism and Violent Extremism in Malaysia**”. The roundtable would certainly benefit from your wealth of insights, especially on the trajectories of terrorism and P/CVE in Malaysia. The roundtable is formatted to maximise discussions, with 5-minute presentations intended to set conversations, followed by approximately an hour of exchanges with experts and organisations.

We would be most grateful to know of your availability for the date. If it would be possible, we would be most grateful to hear from you by **14 February 2022**. Should you have any queries, please do not hesitate to reach out. Thank you once again for your kind consideration and we do look forward to your reply!

Sincerely,

**FARLINA SAID**
