INVITATION TO PARTICIPATE IN THE 1st INTERNATIONAL CONFERENCE ON RIVER SUSTAINABILITY 2021 (ICRS 2022)

Dear Prof. Dr. Nazri

Assalamualaikum Wr. Wb. May this email find you in the best of iman and health. The International Islamic University Malaysia, River of Life (IIUM-ROL) will be virtually organizing the first International Conference on River Sustainability on March 7 - 8, 2022. The conference aims to gather the academia, industry practitioner, local authorities, community leaders to discuss river sustainability in the context of climate change and global warming. The conference will be held in conjunction with World Water Day 2022. The details of the program are as below:

Date : 7th-8th March 2022 / Monday-Tuesday
Venue / Platform : Online Zoom
Theme : Working together for cleaner rivers

We want to invite you to this conference as an esteemed **"Invited Speaker"** because of your vast experience in community-based initiatives to maintain river sustainability. We also invite you for the round table discussion during the conference (title: Challenges and Mitigation Strategies for River Care and Sustainability) expect that you will attend the conference fully (God Willing).

We hope that you will accept our invitation and participate in the event. If you accept the invitation, we would like to request your short biography and picture for the conference website. We also would like to request a short abstract of your talk. Please provide the short biography, a picture and the abstract by **18th February 2022**. The template of the abstract and presentation can be found [here](#). If you have any comments and queries, please contact us at: riveroflife@iium.edu.my. Please visit the conference website for more detailed information as follows:
