Confirmation of Corresponding Authorship for IJPCC Manuscript

This letter serves as official confirmation from the Editorial Office of the International Journal on Perceptive and Cognitive Computing (IJPCC) regarding the authorship of the following published paper:

Daud, N., Moallim, A. A. A., & Abu Bakar, N. S. A. (2022). Sustainable social bank development using blockchain. International Journal on Perceptive and Cognitive Computing, 8(1), 53-58.

The records of our submission system indicate that **Dr. Normi Sham Awang Abu Bakar** was the submitting and corresponding author for this manuscript throughout the peer-review and publication process. While the published version of the article may not explicitly state the corresponding author, our internal records and the submission history definitively show that Dr. Normi Sham Awang Abu Bakar fulfilled all the responsibilities of the corresponding author, including handling all correspondence with the journal and managing the revisions.

Please accept this letter as formal verification of her role as the corresponding author for this publication. Should you require any further information or clarification, do not hesitate to contact the IJPCC editorial office.

Sincerely,

Dr. Adamu Abubakar Ibrahim
Editor
IJPCC
