4th International Interdisciplinary Conference on Green Development in Tropical Regions

Dear Asst. Prof. Dr. irina Safitri Zen,

We are pleased to invite you to the “4th International Interdisciplinary Conference on Green Development in Tropical Regions (4th IICGDTR)” which will be held virtually from 7-8 July 2021 in Padang, Indonesia. This conference will be a joint effort between the Graduate Program of Universitas Andalas and its partnering organizations, including: Building Universities in Disaster Resilience (BUiLD) Project, An Giang University, Adikavi Nannaya University, Dwijendra University and International Islamic University Malaysia (IIUM).

The Conference theme is “Governance Challenges of Green Development in Tropical Asia”. The Conference deliberations will be on the following themes:

- Natural resources and environmental management
- Sustainable development issues
- Biotech and bio-based product development
- Regional development issues
- Disaster resilience and public health

It is an honor and privilege to invite you to participate in the 4th IICGDTR as a Panel Speaker on the topic of “Sustainable Development Issues: Sustainable Development Goals”, on 8th July 2021 at 09.15 AM – 12.00 PM (Wester Indonesian Time). We believe your contribution to this field is unparalleled and your input on the panel will be of great benefit.

We look forward to a positive confirmation. Any correspondence may be sent to the conference secretary, Mrs. Yuerlita, at sekretariatpasca@adm.unand.ac.id

Sincerely,

Prof. Dr. rer.soz. Nursyirwan Effendi
